

Trailer Hire Terms and Conditions

These Trailer Hire Terms and Conditions are in addition to and are intended to be read in conjunction with the Valley Outdoors General Hire Terms and Conditions or Fleet Hire Terms and Conditions

Drivers

The minimum age of the Hirer or any Authorised Drivers must be at least 21 years of age and have no less than 12 months driving experience. Any Authorised Drivers must also have a valid drivers' licence to tow the Trailer which is issued in an Australian state or territory and not subject to any restriction or condition. Learner drivers and provisional and probationary licence holders are not acceptable and must not tow the Trailer. The Hirer certifies that all Authorised Drivers are competent with towing the trailer.

Insurance, goods and your responsibility

The Hirer accepts full responsibility for the towing vehicle, goods carried in or on the Trailer and understands that the Owner will not accept responsibility for any loss or damage to, or caused by the same, regardless of cause. The Hirer assumes all responsibility for any liability, including but not limited to public third-party liability, arising from the Trailer during the Hire Period.

The Hirer is strictly liable for the loss of, or any damage, accidental or otherwise, to the Trailer, its equipment, accessories, load in or on the Trailer, and other people and road users, their property and possessions until the Trailer is returned to the Owner. The loss the Hirer is liable for includes transport and administrative costs incurred in the recovery of the Trailer.

It is the Hirer's responsibility to confirm that

- the aggregate Trailer Mass (trailer plus load) does not exceed the maximum towing capacity of the trailer as specified by the trailer manufacturer.
- the towing capacity of the tow vehicle, towbar and tow ball are adequate for the trailer load being towed.
- the Towing Vehicle is insured to cover the Towing of Trailers.
